COMPETE LIVE WITH YOUR FRIENDS

Do not even work. This game is fun when you have no friends (like me).. Ruan out of money too fast. Fun to play with friends! Love the cartoon characters.. Great online poker simulator!
Dynamic and well made gameplay
Comfortable chat and a lot of cool ingame emogies. As a poker game goes it has it all. + Some blackjack. Collecting hats ,badges (i don't need no stinking Badges) Coins etc all adds to it. Wasted many hours. My only down side is The amount of people who just throw in all the chips every hand.
but once you weed them out the game you find some damn good Players who just want to have fun.

If you like poker but dont want to use real cash This is as close as it gets. and if you do run out of Free chips . you can allways buy a few more. or wait for a free roll to come around every 4 hours.. No, No, No, No and NO. Gredy mothafackers.
Wasn\u00b4t enough having 2 nice games?
Why remove single player from a nice game? The game is fun, but it seems a big scam.
Always asking for money to buy chips and gold coins to buy hats\/clothes\/badges.
You have facked up. I hate those developers. First EA, then BUGSOFT, now you.
I sincerely hope that your company bankrupt and you become homeless.
Piece of shiit mothafackers.

(I purposely wrote it wrong to avoid censorship). You wanna get poked?. its a fun game to play and very exciting to play. Nice multiplayer poker game to pass the time

pretty good. Poor coding. one of the best poker games ive ever played. Governor of poker 3 Review \u2013 Raymond KT

Review Avalible in English, French & Russian

Governor of Poker 3 is the best free multiplayer poker game with a great design. In this multi-player version of Governor of Poker you compete live with thousands of real poker players to proof you are the best and number 1 Texas Hold \u2019em poker star! I remember playing the first Governor of poke long ago on my bad desktop. I don\u2019t remember how I found the game or why, but I do however remember wishing I could play with friends or real opponents. Thus, Governor of Poker 3 was born! There are lots that I love about the third instalment in the franchise including the fact that you play with real people. I also enjoy the variety the game offers, not only Poker \u201cTexas Hold \u2019em\u201d but games like Blackjack also are involved with money currency. The different Achievements want me to continue playing and all in all a fantastic game. I\u2019m a pro by this point in my life and am already a \u201cShark\u201d online! This ISN\u2019T just a kid\u2019s title; grown men play this too\u2026 I think this may very well be the best "free-to-play" game on Steam. That doesn't mean the game does not come with the usual quirks associated with micro-transaction (free) games. And maybe I am being a bit biased because I was already a fan of Governor of Poker 2. Both games are very similar to each other. The major difference being that in GoP 3 you can now play online against human opponents. The money isn't real, but that feeling of playing with real people is what makes the game priceless. GoP 2 was single-player only, but it had one advantage over this game. You could buy properties, organize tournaments, and play against boss-characters. I still recommend it if you don't mind playing alone.

Governor of Poker 3 est le meilleur jeu de poker multijoueur gratuit avec un design exceptionnel. Dans cette version multi-joueurs de Governor of Poker, vous concourrez en direct avec des milliers de vrais joueurs de poker pour vous fournir la preuve que vous \u00eates la meilleure et la premi\u00e8re vedette de poker Texas Hold 'em! Je me souviens de jouer le premier gouverneur de poke depuis longtemps sur mon mauvais bureau. Je ne me souviens pas de la fa\u00e7on dont j'ai trouv\u00e9 le jeu ou pourquoi, mais je me souviens cependant de vouloir jouer avec des amis ou des adversaires r\u00e9els. Ainsi, le gouverneur de Poker 3 est n\u00e9! Il y a beaucoup que j'aime la troisi\u00e8me tranche de la franchise, y compris le fait que vous jouez avec de vraies personnes. Je profite \u00e9galement de la vari\u00e9t\u00e9 offerte par le jeu, non seulement du Poker "Texas Hold 'em", mais des jeux comme le Blackjack sont \u00e9galement impliqu\u00e9s dans l'argent. Les diff\u00e9rentes r\u00e9alisations veulent que je continue \u00e0 jouer et, en g\u00e9n\u00e9ral, un jeu fantastique. Je suis un pro en ce moment de ma vie et je suis d\u00e9j\u00e0 un \u00abShark\u00bb en ligne! Ce n'est pas seulement le titre d'un enfant; Les hommes adultes jouent \u00e7a aussi ... Je pense que ce sera peut-\u00eatre le meilleur jeu \u00abgratuit \u00e0 jouer\u00bb sur Steam. Cela ne signifie pas que le jeu n'appartient pas aux caprices habituelles associ\u00e9es aux jeux de micro-transaction (gratuits). Et peut-\u00eatre que je suis un peu biais\u00e9 parce que j'\u00e9tais d\u00e9j\u00e0 fan de Governor of Poker 2. Les deux jeux sont tr\u00e8s semblables les uns aux autres. La principale diff\u00e9rence est que dans GoP 3, vous pouvez maintenant jouer en ligne contre les adversaires humains. L'argent n'est pas r\u00e9el, mais ce sentiment de jouer avec de vraies personnes est ce qui rend le jeu inestimable. GoP 2 \u00e9tait un solo joueur, mais il avait un avantage sur ce jeu. Vous pouvez acheter des propri\u00e9t\u00e9s, organiser des tournois et jouer contre boss-person. Je le recommande encore si \u00e7a ne te d\u00e9range pas de jouer seul
